

Satish Interiors

SATISH INTERIORS PVT. LTD.

OCCUPATIONAL HEALTH & SAFETY POLICY

We at Satish Interiors Pvt. Ltd. (S.I.P.L.), as a responsible corporate citizen are committed to safe guard the health & safety of all our employees.

To meet the above goals we

- With all applicable health, safety & environmental Laws and Regulations; Will comply.
- Will develop & establish safe working practice standards & norms for all our industrial activities.
- Will train, educate, support & motivate all levels of employees and contract workers to follow safe work practices.
- Will integrate health & safety management system with day to day operation and hold all levels of management responsible for producing & maintaining safety.
- Will monitor work environment through planned inspection, surveys & audits on regular basis to identify & eliminate sub standard working conditions.
- Will review the status of health & safety periodically and will take necessary actions to improve it.

Our ultimate goal is to aim at zero work related accidents and injuries, which can be achieved only through dedication & total commitment of each employee at every level.
